“ Sorry to hear about the loss of a beautiful woman in the Lord. May God comfort her family and friends. Every time I saw her she always had the beautiful smile. Tons of blessings on everyone.

“ It was wonderful to be with you at Forest Meadows and help you with the flower base. Many of our friends were trained at work by your mother. I also moved to Gainesville in 1958 to enjoy the many events of the area. Thanks

“ Dear Susan and Corbin,

I am so sorry to hear about your loss. Granny Annie was a very special person, and I am thankful I had the opportunity to know her. I always looked forward to our afternoon car pickup chats. She was so kind and so cheerful. I know that words do not come close to taking away the sorrow you feel, but I pray that God will fill you with peace that passes understanding. I will continue praying for you in the days and weeks to come.

*Love,
Mrs. Williams*

“ I never knew Mrs. Heckard, however I know Her daughter, Susan~~If it is true that "the apple never falls far from the tree", then I would have liked Mrs. Heckard immensley, and , She still lives in Her daughter and Her son .

The day will come when I will meet her, but, until then, I wish Her a safe journey to Her rightful place among the stars.

Myself and My husband send our most heartfelt condolences to the family.

“ It was a pleasure to meet and get to know Anne. She always had her family at the front of any conversation and the love for them was evident. She will be missed and remembered by all who knew her.
