“ My heart goes out to your family for loss of your mother. May God grant you peace and strength. Acts 24:15 says that "there is going to be a resurrection of both the righteous and the unrighteous." We look forward to that time with you. Deepest sympathies.

“ I join with others at Millhopper Pines in sending my sympathy to your family. My apartment was the one you visited prior to Barbara moving here. Your Mother was a delight to know and highly thought of here at Milhopper. I will miss seeing her. Prayerfully, Opal

“ I worked with Barbara for almost 15 years and I have never met a stronger person. She went through so much and just kept working. We will miss her very much but not as much as her family and those two sweet granddaughters of hers. I am so sorry for your loss but maybe she has taught you all about what strength is. We can be happy she won't suffer any longer.

“ I did not know Barbara very well as I met her only when she called for the bingo group on Tuesdays at the clubhouse. We like each other but never knew one another since I lived at the end of the street.

*I had no idea her physical health was that serious. So sorry that it had to happen to such a young person.*
