“ I will always cherish the time I had with Cynthia. She was such a good friend and an important ally for me. We laughed every morning about the radio morning show on FM 103.7 back when it was mainstream pop. They had a Francois Mitterrand parody and we would re-enact it as soon as we saw each other. Started the day with a laugh!!! Even though I lost touch with her, my love remains. Here's to you Cynthia! You are missed. Soar on! ❤️💙

My name was Grace Scott when I met Cynthia at Regis Beauty Salon, Jacksonville, Fl. We worked beside each other. My favorite memory was when she took me to her parents home in Welbourne, near Lake City. I remember each of the family at that meal. Especially the cream style corn Mrs. McIntosh had made from Fresh Corn. Tasted Just like my Mama's!
We were single at that ti.e and Yes she loved to dance.
One of my favorite sayings she use to say, "We can run this Green Light!"
She loved her family,Especially Randy! I remember time on the front porch. I was born in Lake City, but did not get to grow up there. I keep up with Family members thanks to Facebook. Salt of the Eart People. We will all miss Cynthia's Fun,Love of Life Spirit! My heart goes out to each of you in your time of loss.
