“ Miss you brother, our times and on the team together were fun. Also our trip to California for Force Science. We're I became your chauffeur. Hard to believe a man in the shape you kept yourself in all your life was taken from your friends and family. Everyone was touched by your friendship, leadership abilities and sense of humor. Yes he had one and was always to good to see him laugh and smile even when stuff was unraveling. Gonna miss ya Dave. God Bless your family and friends we lost a good man.

“ I worked with David for several years while serving in the Gainesville FBI office. I had a great deal of respect for David both as a law enforcement officer and a man. He was one of the good ones. May he rest in peace in Heaven. I pray that God will help his grieving loved ones through this difficult time.
