“ I am very sorry to hear of Chucks passing. My wife Yvonne Clark and I knew Chuck for probably 30 years and my Wife Yvonne worked with Chuck at the county for her entire county career. We knew Chuck as an Honest, Intelligent and fun loving man. I know what his family is going through as I lost my wife Yvonne of 42 years in April 2021. Just take comfort in the belief that Chuck is now in a better place and starting his journey into eternal peace and love. God Bless you all.

“ So sorry to hear this news ... Charles and I became friends while he was a customer @ the Hunters Crossing Publix. He was such a great man who enjoyed life and had told me that when he retired he was moving to the beach. And that is what he did. The times he came to visit he alway made a point to come say hello . He will be missed by so many and I thank God for having a friend like Charles in my life.

“ I was so sorry to here about Chuck, we worked together on the CCB for child support and he would always call to ask me questions or get help with Child Support as well as I would call him and ask his advise through a Clerk standpoint. He would always talk business first but then we would talk about how our families were doing and he would let me know the latest goings on with his daughters and grandchildren. He was such a sweet man and I will miss talking with him.
