“ Eric, I cannot believe you are gone. I think you are free now, and happy now, and it is, the many people who love you, who are left here sad without you. But I know you're ok, smiling and shining down on us. And don't worry, we'll take care of Galina and Izzy. You'll never be forgotten my dear friend. We'll always let the good times roll for you. Lovin you always. Love, Summer, Sergio, Sequoia
