“ I was sad to hear of Lorine's passing and will miss the many phone calls I received from her asking about my family, my wife Stephanie, my son (Keith) and my daughter (Kristen) as they grew up, got married and had children of their own Keeley (5) and our new addition Caroline (3 weeks). Lorine always said she loved my family and me as she was hanging up. Lorine welcomed me on my first visit with my Dad (Horace) to the "south" back when I was a teenager and again when I had a traveling job out of Atlanta. Ahh, home cooking!!! Lastly, I remember her husband Wilbur who (in my opinion) could talk without moving his lips. I had to listen hard. They both leave me with fond memories!!!

“ I was so sorry to hear of Aunt Lorines passing and would like to offer to the entire family my condolences. She was such a sweet loving person to everyone. I feel very blessed to have known her, she always treated me as if I was one of her own children. She will be greatly missed by all that knew her. She will rest peacefully now. My love goes out to all the family.
