“ I started going to Lighthouse Global Ministries Church in August of 2017. After just one visit I knew I was where I belonged! It was a church full of love and the Spirit of God! Pastor Woody was always so loving towards the Congregation, just as his Son, Pastor Forrest "Chip" II was. They were all such a blessing! He will be greatly missed, but we know he is with his Jesus and will see him again in Glory!

“ I remember the first day I came to that church that everybody greeted me with love. It felt like home to me. Papa woody would always be sitting at the front entrance greeting us. He was a blessing to be around and will be missed. But one thing is for sure, he is in eternal glory and his resting place now and forevermore. Love and miss you Papa Woody.

“ *One of the top 3 most influential men in my life. He literally came and brought me to Jesus one night at the Florida Church of God Campmeeting many years ago. Our families traveled up and down many roads together in ministry. I will forever be grateful for his love and advice in ministry. Love you Uncle Woody!*
