

Harout Oymayan

August 3, 2023

Harout Oymayan, 55 of Ocala, Florida passed away on June 23, 2023.

Our beloved Armenian brother Harout Oymayan passed to Heaven to be with God. Harout came to Gainesville, Florida in 1987 at 19 years old, to go to college. He lived in Gainesville for the next 33 years and the last 3 years after that in Ocala, Florida

He is survived by his two brothers, Avo of Gainesville and Garo of Canada, who loved him dearly, his uncle, aunt and cousin of Gainesville.

Harout always wished for and lived a simple life. Understanding and feeling with those who are less fortunate and challenged in life.

He enjoyed visiting thrift stores, Goodwill stores, pawn shops and flea markets. He loved detailing and fixing cars and messing with watches. Harout had a rough personal life and a fair share of medical conditions. He was loved by not only his family but well liked by his community and all the waitresses in restaurants as he never cooked, instead ate out every day of his life.

He will be missed forever while he is in God's care.

“ I worked with Harout Oymayan in Gainesville FL from 1988-1990 where he worked as a pizza delivery driver for then Lord Munchie's Pizza on University Avenue, across from the university. He was well-liked, and an ambitious young man. He was passionate about many topics and sometimes would get excited with other drivers, but he was always cordial :) His handshake said that he was friendly on all accounts and intended for peace to be with you. I liked Harout a lot and considered him a friend. I left the area for other work opportunities and didn't see him again until today, 5/7/2024 on this site. I'm sorry my friend that we weren't in touch but hopefully, you have the peace you sought all of your life. Love, Patrick Nolan
