“ Sorry for the loss of your Mother, Grandmother and Great Grandmother.

My mother's family lived next door to the Buys family in Steele, Mo., for several years. My aunt Dolores Mae Bizzell was named for Jerlene mother Mae. As a sixth grader Jerlene helped my mother Louise Bizzell survive first grade. She was very glad that Jerlene was at the school to help her. They lived on Burton Street in Steele, Mo, in 1935.
