

## Jo Anna Arnold

July 26, 2022

Ms. Jo Anna Arnold was born on April 12, 1926, in Coconut Grove, Florida, to the late Clifford Arnold and Viola Arnold.

Affectionately known as 'JoJo', Ms. Arnold began living at Tacachale - Facility I (formerly Sunland Training Center), in August 1939, only eighteen years after its 1921 establishment. As one of Tacachale's longest term residents, having lived on Elmwood Home and then Poplar Home, JoAnna's independent and feisty spirit endeared her to the staff, her cottage mates, and the other residents. For many years, she worked in the campus canteen; while enthusiastically participating in group outings and traveling to various scenic spots throughout the State of Florida. She enjoyed Tacachale activities, educational and leisure programs, church services, the annual Christmas Tree Lighting Celebration, etc. Her time shared with friends, especially relaxing on the patio, were a source of contentment and enjoyment.

JoAnna will be affectionately remembered by her Guardian Advocate, Ms. F.V. Cockerham-Guinyard; the residents and staff of Poplar Home; her many friends; and the generations of generous and devoted Tacachale

administrators, social services counselors, healthcare specialists, outreach and spiritual professionals, and other campus staff, who gently cared for her during her wonderful life at Tacachale. Remembering Ms. JoAnna Arnold with great affection and love.
