“ I loved this precious young man so much. I was at the hospital when he was born and arrived at the hospital shortly after he died. Marc was an exceptional man with talents that were denied him because of his illness. However, his legacy is one of compassion and love of his family, especially that of his cherished wife, Shirley. We know that he is now free of pain. When you see the beauty of the earth know that my nephew, Marc, had a hand in painting the scene.
