

Alice Bertha Binns

October 16, 2018

To explain Alice B. Binns in a formal sense, one might say that she was brought into this world by William and Alice Martin on March 8, 1922 in Philadelphia, Pennsylvania. Then they'd continue to explain that she married Curtis A. Binns in 1948, had two children, Alice "Carol" and Deborah, and traveled the world. Next maybe they would share how she was a devoted Presbyterian, worked for The Korman Corporation in Philadelphia for 22 years, and moved to Florida in 1983. She had 8 grandchildren and 1 great-granddaughter.

In an informal sense, and to her friends and family, one would explain that Alice "Granny" Binns, loved the finer things in life; wine, traveling, opera, and copious amounts of butter. She made the best stuffing every Thanksgiving, loved to read, always up to date on the CNN news, was known for her expertise in Swedish weaving, and spent her time with the Branford Quilting Club.

On October 14, 2018, at 96 years old, Alice joined her late husband, Curtis A. Binns, and beloved pets Mitzie, Maggie, and Reggie. In remembrance of "Granny," we share a quote from one of her favorite people: "God gave you two ears and one mouth for a reason ... Listen twice and speak once!" - Judge Judy.

“ Michelle, Christina, Gregorio and Frank

My deepest sympathy-I am heartbroken to hear of your loss of Jorge. George as I knew him was a great friend in Newton NJ- playing hockey-best Cuban born hockey player ever-Watching football at his house on Sunday afternoons-I even forgave him being a Cowboy fan. Riding around Sussex County in his Dads old cars-They are the best memories of my teenage years. We have kept up with each other until several years ago only through Christmas cards-wish I had seen him more recently but he will always be a part of my life and I always speak of him fondly. I will pray for Jorge and for you all always. God Bless and Comfort You

“ My deepest condolences to Michelle, kids, Frank and Eneida. I grew up with Jorge and Frank in Newton. Pictures of New Years Eve in our basement celebrating the new year and Franks birthday will forever be burned in my mind. All the years of growing up in Newton, summers, school, Varsity N trips with Jorge, working at Don Bosco, will never forget them. You will be missed. God bless him and God bless you all.

“ So sorry for your loss of Jorge. First met him on the playground at Halstead St school in 2nd or 3rd grade. Will always remember how we goofed around in High School, played lacrosse together - and will never forget when we called him from Sam White's house prior to one of our reunions to talk him into coming "home" to see all of us. He always had a smile, my sincere condolences to you all.

“ Dear Michele, Gregorio, and Cristina,

Please accept my condolences and deep sympathies for your loss. I will always remember the day In 1964 when I first met Jorge ("George" to us.) It was on the day he walked into our third grade class for the first time. I even remember what George was wearing: a white button-down shirt with colorful little images of farm workers all over it. And, although obviously a bit nervous, he sported a wide grin that I will never forget. I was fortunate to see that smile many times over the years, both in and outside of school. In short order George and I became good friends, and knowing him enriched my life. It has been many years since we last saw each other and I am deeply saddened that I will not be able to have the pleasure of seeing him again. God bless you all.

“ To the family of "Georgie"...we grew up friends playing for hours on Trinity Street In Newton NJ. He spoke very little English when he moved into the neighborhood with his family however he communicated with an infectious laugh and a huge smile. I remember Frankie and Georgie walking with us to the community pool on those hot summer days..we had sooo much fun and made some great memories! I am sorry for your loss. May you find peace and comfort in the many many kind words and praises of your husband dad and son. He was honored and loved by many. God bless you

“ Lived in same apartment building where Jorge and "Frankie" lived on High Street and then one street apart when we moved to Hamilton Street and Jorge to Trinity Street. He was a bit of a heart throb to the girls in the community. Silly thing to remember, but I remember his mom always sent them off with a glass of Ovaltine every day. Was jealous of that. It was a great time to grow up together. Frequently wondered what ever happened to the Suarez family. So sorry for your loss. Sounds like he became quite a wonderful man and touched many lives.

“ *RIP Jorge, I did not know you as well as my husband John, but when we were getting married, he said I would like Jorge to be in our wedding and he was almost 27 years ago. It was a pleasure meeting you and I will be praying for your family in their hour of grief and bereavement. I would like to leave a line from one of my favorite gospel song. "Earth has no sorrow that HEAVEN cannot heal.*

“ *So sorry to hear of his passing. I grew up with Jorge in Newton NJ....we became good friends and lost touch after HS. We shared the same sense of humor and we enjoyed playing street hockey together @ Don Bosco Seminary. We also worked together there during the summers. He and his good friend, John Jennings were known to us as the Jake twins.... :) May he rest in peace!! Bless you my friend!! Rich*

“ *Michele; My sincerest condolences , may Jorge have found peace that he couldn't let himself have in life. A more sincere, hard driven perfectionist, larger than life person, equipped with a big heart, remarkable humor, and intense passion I 've not known. Albeit our sometimes stormy relationship when I worked for him up in McMinnville, I always considered him a friend and his humor, nicknames for everyone, and "machine gun" rate of conversation when he was passionate or excited about something could always get me laughing. All the more , the disbelief at his passing. I'm so sorry for your loss but he lives on in all who knew him. May you see the way forward and keep all the good memories. Jorge; may you rest in peace and watch over us. You are missed.*

“ *He was my big brother, I was so proud of him and he gave me so much over the years. He took me to the public pool when I was too small to go alone. When I moved away from home to New Orleans he handed me his credit card and said "use it when you need it". But, by far the greatest gift he gave me was to move his family all the way from Oregon to be close to ME. He changed my life. He gave me the gift of being Tio, godfather, and playmate to two beautiful little children who have since grown into strong, thoughtful and intelligent adults....Thank you Tata, I miss you*
