“ *Eva and I were just talking about you earlier today. You mean more to us than I think you ever knew. The last time I saw you, you hugged me and said that you'd be watching over us. That was so hard to hear, because I knew that was going to be our final goodbye. I hope you're living high class up there. I live and miss you so much. All four of us kids do. I'll come by to visit you soon. I love you aunt Doney*
