“ I was shocked and saddened by the news of Linda's passing. She was a good friend to me in the world of roses and helped me to get started growing them. We had fun visiting and sharing our mutual love for roses and I will never forget her kind smile and helpful hand. May she be busy in a Heavenly Rose Garden in love and Joy forever. She left too soon.

“ Barry and I had so many fond memories of Linda. Her passing is a shock and a loss. She was simply a nice person. She never spoke unkindly of others....even if it was deserved. We will always recall a special day when we bought roses from her, had a lovely lunch, then visited her office and other areas around the U of F. Her love of roses was a special focus of her life. So sad at her passing.....
