“ God saw you getting tired and a cure was not to be  
so he put his arms around you and whispered,  
"Come to Me"

*With tearful eyes we watched you  
and saw you pass away  
and although we love you dearly  
we could not make you stay.*

*A golden heart stopped beating  
hard working hands at rest.*

*God broke our hearts to prove to us*

*He only takes the best~ author unknown but said everything I  
couldn't*

*The Mold was broken and there will never be another*
