“ Dear Elaine, John, Nicole and Jackson
I am so very sorry to hear of the passing of Maura (Lee) and Anne.
What a devastating time. I so loved Maura--as I teenager I
absolutely worshipped her (and thought Anne was the coolest). I still
remember both her Gainesville phone number and her birthday.
When I went to New York to school and to work on Wall St. Maura
came to visit me. We had a wonderful time as always, and I believe
that was about the time Maura decided to go into finance herself.
We lost touch for awhile--mostly on my side as I moved overseas--
and then got in touch again. I was so happy to see her in
Gainesville a few years ago. I find it hard to believe she and her
beautiful light are gone. I do so hope you find solace in each other
and knowing how much Maura brought to those of us who loved
her. Wishing you peace and courage and faith. Love, Mary Jeanne

“ Nicole and Jackson our condolences to you and your family. I met
your mom when you were in preschool with Emily and always
enjoyed our dinners together when you girls were in Brownies. She
loved you both so much and know she will always be with you.
