“ Those early days in Plantation were great for the Reilly babysitter business! Mom and Dad are together again and that gives us comfort. Thank you for your kind words.

“ Please accept my sincerest condolences on the loss of your Mom and as I read, the other members of your family. Although I am 80, I still have great memories of your Mom and Dad, your brother, George, who always came across the street to play with my Stacy and Kathy who babysat for Stacy and Steve. I just loved them all and Maureen and Colleen. My heart goes out to the rest of the family. You all were so important in my life. May they rest in peace and God bless you all.
