“ What I knew of Robin, I only knew distantly. With that said, I do know that she touched the lives of so many. I know she was a strong, loving, and blessed friend to so many in her life and each and every one of them will miss her dearly. The few times that I met her she was genuinely a sweet lady. I'm sorry that I will not get another chance to chat with her. Robin, you will be greatly missed in your family as well as mine.
