“ *Rosalie is a true friend. I have so many wonderful memories of our times together. We would go out to eat twice a week(Wednesday & Sunday). Often times before or after lunch we would venture out to other experiences. She amazed me! Often times she would give instructions to me as to the directions we should take to arrive at our destination. She was always right. When I would make the decision on directions, we sometimes would have to backtrack to find our way home. Many wonderful times spent together. I will ALWAYS have fun memories with JOY in my heart from knowing Rosalie. She would often times share her love for family, friends & in particular her love for Christ. She is now dancing with complete JOY because she is finally home surrounded by loved one's. Rosalie is loved by many because of her sweet and caring spirit. I miss her so much already. In God we trust!*
