“ *I can't imagine the sorrow you feel at this time of the earthly love that is lost. However, remember that God will turn your mourning into joy. He will provide comfort to you. He will give you gladness for your sorrow. (Jeremiah 31:13). You will see your Mom again and she will sing praises to you and rejoice in your reunion. Until then, may your heart be comforted by loving memories. Thinking of you during this time of loss ----- Cherie and Mark Entrekin*

“ *We send you much love and prayers at this sad, sad time. Grandma Elsie Williams thought the world of Rose (Lula Mae and J.T.) She passed that love and respect on to us. Grandma Williams and Aunt Estell taught us that with love and hard work, we can overcome any challenge. Rose exemplified that spirit. She was such a loving lady. She spread her love and kindness all over anyone near her. We are forever grateful and blessed to be in Rose's family.*
