ME

“ Kathy, I am sorry for the pain you must be going through, even now. I found out about Ronnie not too long ago...and I wanted you to know that I so did appreciate you and Ronnie and all you did for us when Russ was a baby...how you always treated me like one of the family. Just so you know, Russell is doing well and in the Air Force...look him up on FB, he is 21 now, and probably doesn't remember all you guys did for us, but I sure do. My condolences, Ronnie was an awesome man with a big heart!

“ To all of Ronnie and Kathy's Family, I know what you all are going through I too have lost many people that I loved dearly and Ronnie being one of them! He was such a wonderful man and would always give you the shirt off his back if he thought you needed it. He and my Dad (Mike) were BEST FRIENDS! They are finally together again. I will miss Ronnie's voice , smile and his jokes. He was a fighter in his last days here on earth but the Lord needed another Angel. My family and I will miss him so very much. You ALL are in our hearts and prayers. If you need anything let me know.

Love,
