“ *Lynn and Patty,
My heart goes out to your family. May God grant you peace and strength at this time. He has promised that, in the near future, no one will get sick and die. (Isaiah 33:24, Revelation 21:4) Also, Acts 24:15 says that "there is going to be a resurrection of both the righteous and the unrighteous." We look forward to that time. You may be able to welcome your mom back to a peaceful, healthy life in a paradise earth. You have my deepest sympathies.*

“ Lynn, I heard last week on Wednesday while away in Vegas, from my sister Donna that your Mom, my 1st cousin Sandy had passed away. I am so sorry to hear about this and so sorry for you and your Dad "Bob" and for Patty's loss. Your Mom (Sandy) was one of my favorite 1st cousins, along with Angie and Robert. I have asked for prayers through my church group for you and your family for God to help comfort you and everyone through these tough times.

I am sorry I was not able to make it down there to be with you and your family. Please accept my heart felt apology. I still have the hand-written letters both you and Patty wrote to me and my family back on January 23, 1989 (from you) and July 24, 1988 (from Patty) that I will always cherish. Your family was very special to me....especially your Mom. Her laugh was so contagious. She certainly brought happiness and joy to me when I was around her.

I love the note that you wrote to her. Cherish the time you had with your Mom and cherish the many memories....she was and still is a very special person. I consider myself very fortunate to be part of her life and part of the Concelmo family.

Even though I did not see her or touch base with her these last few years while she was ailing, I always thought about her many times...remembering the times we did spend together.

I will miss her.

Me and Bobby will miss you lots and we love ya lots too. I know you are looking down right now and smiling because that was you all the time. I just wished we had more time with you.
