“ My thoughts and prayers are with you all! I was very blessed to spend alot of time with her, from our lunch dates, shopping, football and holidays. She always treated me like one of her own and I was honored. Those times were filled with smiles and laughter. She was an inspiration to others and a joy to be around. She always lit up the room with her smile. We have lost a true angel who always was thinking and doing for others first. She will always be in our hearts!!!

“ Sherie and family, , my thoughts are with each of you at this time. She'll always be with you. The wind in the trees, the holidays she loved and the silly things you laughed about. Remember those times and share them with someone, it seems to keep them close.  
Love you, Zee
