So saddened to hear of your mother's passing. Both your father Joe and your mother Tess were wonderfully warm and caring friends. We often think of you and the CZ days we all cherish.

“ *Patty & Family*

Your mom always amazed me with her boldness! Her life was by no means conventional for someone of her era and, I believe, it was her faith that gave her strength to choose a non-traditional journey for her life. She was a true trail-blazer and will be missed. Much love, JL

“ *Patty & family,*

I feel broken-hearted for your loss. Experiencing the same thing right now, you are never quite ready for your mom to be gone. I hope you will take comfort in your memories, her love and the support of all of us who love you. Although I did not know your mom I'm sure she was an angel because she raised wonderful children. Wishing you well. God bless and lots of love.

“ As a member of the Atrium at Gainesville management team, I would like to extend our deepest condolences to Patty Myers and the rest of Teresa's family. This was her last home and she was very much a big part of our Atrium "family". We will miss our gal, Theresa, may she rest in sweet peace.
