“ I was so sad to hear of the death of Virginia Holliman Phillips. Our families were good friends with the Holliman's and attended the same church during our growing up years. We came upon her obituary when we were reading the obituary of our brother, Ronny Paul Hill. We send our love and prayers to Virginia's family.

“ I was so sorry to hear about Virginia's passing. Many years have passed since I last saw Virginia but we were friends with their family and attended the same church in Gainesville, Florida. We came upon her obituary when we were looking for my brother's (Ronny Paul Hill) obituary. Our family extends love and prayers to the family of Virginia. I know this is a huge loss for all who knew Virginia.
