“ Our family sends our deepest condolences to Al's Family and Friends. We have known Al for many years as we were involved in racing also. Al was always there when we needed a hand. During racing season it was common for race cars from all over to be at Al's garage being worked on. RIP Al.

“ I loved you then and I love you now. You were beyond a shadow of doubt the best friend I ever had in my entire life to this day. Not a day goes by even after 5 yrs and 42 days that I don't think about you in one way or another either by making me laugh or feel better about something. I miss you all the time. Thank God I met you. Please God hold Billy close to your warm, safe and kind heart like he held me.
