I just wanted you all to know that you are, have been and will continue to be in my thoughts and prayers. I pray that you will all find peace, comfort and strength in knowing that you are not alone during this time of grief. May God give you the peace that passes all understanding. May HE fill your hearts with joy knowing that you were a part of his most important choice in life...to accept Christ...Zach was a great example of how we should love life and one another. I smile at all the happy days we shared in Sunday School, Childrens Church, Awana's and so many more happy heart warming memories I will never forget. I just want you to know that I can honestly say my heart has been forever Blessed having known Zach and those memories will be alive forever. I love you all very much.
